up copy of the claim is included in an appendix following this
amendment for the Examiners convenience.

6. (Amended) Device for recording and/or playback a record
carrier of the inscribable type as claimed in claim 1, the device
comprising reading means for reading the information recorded on
the record carrier and recording means for recording the record
carrier in accordance with an recording process, the reading means
comprising means to read the auxiliary signal recorded on a record
carrier, selecting means for selectively selecting extracting the
special codes and the address codes from the auxiliary signal,
control means for controlling the recording process, characterized

in that, the control means are adapted to determine the predetermined positional relationship of the periodic pattern of address codes and special codes and to control the recording process in accordance with said determination.

REMARKS

The foregoing Preliminary Amendment to the claims was made solely to avoid filing the claims in the multiple dependant form so as to avoid the additional filing fee.

The claims were not amended in order to address issues of patentability and Applicant respectfully reserves all rights he may have under the Doctrine of Equivalents. Applicant furthermore reserves his right to reintroduce subject matter deleted herein at a later time during the prosecution of this application or continuing applications.

Respectfully submitted,
